INTERNSHIP

L&T EduTech

July 2025 – July 2025

Artificial Intelligence and Edge Computing

Summer Internship

- In this Internship, it's an All-Branch course, so as a Computer Engineer, my role is about Machine Learning Engineering.
- I learn ML Concepts and Models thoroughly and then Implemented it in Project as a Completion of Project.
- Using ML Concepts, Jupyter Notebook, Python i work on the project about Water Quality Test Prediction for Cement Mixing. Where i Use many machine learning model to test their accuracy on water quality and find best model to work and deploy it for further AI Implementation. My work is to find best Model And Random forest is my result. I have Successfully completed Internship course Project with 96/100.

TECHNICAL SKILLS

Programming: C, Java, Python

Data: Machine Learning

Frameworks: React.js, Node.js, Express.js

Database: PostgreSQL, MySQL

PROJECTS

Database Schema | *Team Project (~ 30 Hours)*

- Cricket Team Management System is our Project For Database Management Project. Schema is our main Target Focus and ER Diagram. We make Database and a presentation for the schema of the project.
- Tech : MySQL, MicroSoft Powerpoint

PERN Stack Project | *Pesronal Project (~ 120 Hours)*

- Movie Ticket Booking Web PERN Stack Project For Understanding Advanced JavaScript Frameworks and using and implementing them in a project. Seat Selection feature is not implemented. Ticket booking works like Railways ticket booking. i used Tailswind CSS framework with React.js for dynamic visuals.
- Tech : PostgreSQL, Express.js, React.js, Node.js, Postman, VS code, Taliswind, JWT-tokens,etc.

Machine Learning (Academic) | *Team Project (~ 20 Hours)*

- Machine Learning Academic Project on Credit Card Customer Data | Clustering. Clustering is explicitly told to work with data. I implemented whole project including Machine Learning Models, made report and presentation also. Used many clustering algorithms.
- Tech : Jupyter Notebook, Python Libraries, Microsoft word and Microsoft Powerpoint.

EDUCATION

Gujarat Technological University

Sept 2022 – Present

Bachelor of Engineering

GPA: 6.99 / 10

Computer Engineering: Programmimg, DSA, ML, DBMS, etc.
